Children's Ministry

Hi Everyone!

I should start out by telling you that next week (**Sunday the 20th**), we will be having what is definitely our biggest Children's Ministry party of the year: it's our annual **"Fall Festival and Trunk or Treat!"** party!! YAY!!! We'll start at **3:30 with games, crafts, and hot dogs**. Then, at **4:30, we'll start the Trunk or Treat line!** Weather permitting, we'll be in the picnic shelter for games and do the trunk or treat in the parking lot. In case of rough weather, we'll move it all inside to the fellowship hall and line up outside the auditorium for ... I don't know what to call it without trunks being involved. Peeps in the pews (or seats)? Dum-Dums in the Auditorium? Butterfingers in the Baptistry? Oh well, those probably don't work, but you get the idea. We hope to see you there in your best costumes, but remember that this is meant to be for all ages; no scary or gory costumes, please!

Next, since we've adjusted to a different schedule for when I can write here, I need to be sure to give you my list of kids who have been reciting Bible verses and facts in the Bible Discovery Eagles (with Miss Cathy) and Lions class (with Miss Debbie and Miss Josette) during the last few weeks. Congratulations to **John Gary, Violet Gary, Delilah Hensley, Blake Hoggatt, Miles Howard, Madalyn Lewis, Addison Meddings, Paisley Meddings, RJ Patterson, and Liam Rossiter!** You guys did great work! The **Red Birds** and **Tigers** have been working with Miss Jacinta and Miss Meagan, and the **Bears** have been working with Miss Diane, Miss Erin, and Mr. Joe... They have all been doing an excellent job! Thanks to EVERYONE who helps with Bible Discovery!!

Talk to you soon!

-Ryan

PS - If anyone is able to help with a game station or set up and clean up for the Fall Festival, please let us know. **The signup sheet is in the foyer.** We would really appreciate it!

Family/Handicap Access Restroom Project

In order to better serve our members and visitors, we have decided to renovate the older restroom (currently a Women's restroom) into a Family and Handicap Access Restroom. This project is scheduled to be completed by the end of October. Once completed, it will have enough room for a person in a wheelchair to use it and to have someone assist them if needed. In addition, parents with young children can make use of this bathroom as well. It will be considered a "single-use" restroom, as in once you go in, you will lock the door behind you. We will, of course, still have the separate men's and women's restrooms in the hallway that leads to Room 11. A couple of our members have offered to assist with paying for this project, and we are grateful for their help.

If you have any questions, please ask Keith or Brian.
