TEEN MINISTRY

Look outside at the cold winter landscape, and you can't help but have one thought...Where is that incredibly hot weather we had last year at camp? Well, you're in luck because, in just 112 days, we will be gathering at NWOCYC for a very exciting week. There is a lot of excitement about camp this year, and I am here to fill you in on the details. First, the new mess hall will be ready for use, so we can bask in the air conditioning to enjoy our meals. We are preparing for a great week. Second, I know this is not the place to circulate rumors, but I am confident that this year's theme will relate to the book of Ephesians. That is my favorite book in the Bible! Paul spends some time giving us practical advice on getting along with each other and preserving the unity we have in Christ. Now for a few other details. The cost for camp this year has increased to \$250, but do not be dismayed! This cost increase was due to the rising cost of food and other costs for the camp. Also, the camp has a new water treatment facility that treats the water like your home's water! That's right; there will be no more bad, smelly water! It tastes good too! Ask Carol Driver, she had a taste test last year during Teen Retreat. Now, if you need help with the cost of camp this year, be sure to reach out to me, one of the elders, or James Gary. Or, if you would like to help send someone to camp, contact one of us. Those who want to come as a staff member should make that decision by April 1st and plan to attend the next staff meeting on February 26th at 8 pm in Room 11.

Our annual work retreat is coming up May 2nd, 3rd, and 4th at NWOCYC. A lot of preparation is needed this year for camp. The grounds will need to be cleaned up, firewood will need to be cut and stacked, there are construction projects, electrical work, cabins and bathhouses need to be cleaned, and the list goes on and on! There is a job for any age and any skill. We will feed you and give you a place to sleep for the weekend, and we will worship together on Sunday morning! If you would like to join the work crew, please sign up in the foyer so we know you are coming. (Also, you may get a sneak peek at the new mess hall).

The new mess hall will have a Grand Opening day on May 17th at NWOCYC. The new building will be called "Friends Lodge". Make plans to join us for the celebration and give God the glory for this blessing to the camp.

Thank you to everyone who helped with the Food Giveaway yesterday! I know it was very cold, but many blessings were served along with the food to families in our community. What a joy it is to see the love of Christ handed out by this congregation to so many people! Please take time to look at the leftover food in the fellowship hall. Take as much as you like for yourself or to bless someone else.

Finally, please be praying for the Bible Bowl competitors and their families as they to Centerburg Church of Christ to spend next weekend with our brothers and sisters in Christ! We will enjoy fellowship, competition and, of course, worshipping together!

-Josh
